

*Household food waste  
collection service.*

**Join our Kāpiti  
food waste collective.**

email: [careoline@organicwealth.nz](mailto:careoline@organicwealth.nz)  
or phone/txt: 021 2444 617

**We'll give you a food waste  
bucket, and empty it every  
week from your kerbside.**

**We'll then turn your food waste  
into a quality compost at one of  
our local composting sites.**

***For only \$5 per week.***

*\* monthly subscription required.*

*\* a \$40 discount voucher is available through Kapiti  
Council for an annual subscription.. Conditions  
apply.*

## **Why is composting so important?**

**Over half of what Kāpiti Coasters send  
to the landfill is organic waste.**

---

**When organic waste breaks down in  
a landfill without oxygen, it creates a  
harmful toxic gas (methane).**

---

**Methane in our environment  
contributes to climate change.**

---

**Nature needs nurturing too. Our soil is  
depleted of nutrients, and composting  
helps to restore the health of our soils  
and gardens.**

---

**Healthy soils create healthy kai  
and healthy people.**

***Help us turn your food waste  
into organic wealth for Kāpiti.***
